SUMMARY

MBA student with a specialization in Operations Management and internship experience at Volvo Construction Equipment. Experienced in supporting shop floor operations, team coordination, and process tracking. Previously worked at Cars24, managing vehicle inspections, vendor coordination, and daily operations. Interested in roles across operations, supply chain, and business consulting.

WORK EXPERIENCE

INTERNSHIP : VOLVO CE, BANGALORE

May 2025 - July 2025

Project Management Trainee (2 Months)

- Created dashboards to track consumable usage and support cost-saving efforts.
- Built a team dashboard showing EHS, Quality, Cost, Delivery, and People data.
- Helped track tools and consumables across four assembly lines.
- Updated travel and stay bills for technicians after demo visits.
- Made checklists and supported tool monitoring on the shop floor.

CARS 24 - GUJARAT, RAJKOT

September 2023 - May 2024

Junior Coordinator (9 Months)

- Prepared detailed car condition reports and arranged timely repairs with garages.
- Negotiated with vendors to get the best prices for parts and services.
- Managed a team of cleaners and drivers to ensure smooth daily operations.
- Regularly checked vehicle condition to keep all cars clean and functional.
- Improved team coordination, leading to better efficiency and high vehicle upkeep standards.
